

ACTIVELY ACCEPTING NEW CLIENTS

LEGAL SUPPORT FOR MARYLAND AFGHAN PAROLEES

WHO IS ELIGIBLE?

Afghan parolees in Maryland who are in need of legal services in order to apply for asylum or other immigration benefits.

HOW CAN HIAS HELP?

HIAS' Asylee Outreach Project is offering legal support, ranging from full legal representation by an attorney to more limited scope legal support options, depending on each client's needs.

HIAS intake staff will conduct a legal screening with each client to determine which avenue of legal services meets the client's needs. In addition to our team at HIAS, we are working with several partner organizations to carry out these services. **ALL services are free of cost.**

HOW TO REFER?

HIAS' Asylee Outreach Project is actively accepting new clients under this initiative. If you are an Afghan parolee living in Maryland or an organization needing to refer an Afghan parolee in Maryland, **please complete the [Intake Form linked here](#) and submit by email to afghanlegal@hias.org.**

HIAS staff will then reach out for an initial screening. **If you are unable to complete the intake form, please reach out to us by email or by phone at (301) 569-2249 to ensure you are able to access services.**
